Parent & Youth Promise of Support

Signed by parents every year

The leadership team of the Poudre River Explorers FNE Group Federation of North American Explorers (hereafter called The Group) will strive to do their personal best to deliver to our youth a progressive, constructive and exciting program. Your child's program experiences will not only be fun, different, and exciting, but will also serve as an ongoing, positive and faith filled "education for life."

In order for the leadership team to be able to deliver such a program, behind the scenes support from you, the parent(s) is critical. Each family will be asked to indicate how they can help support efforts to ensure a dynamic youth program experience for each and every youth in our Explorer family.

Besides parental support, your child will also be required to make a promise of commitment to The Group and the program. This commitment includes:

- Acquiring and wearing proudly the full and complete uniform as designated by the leadership team
- Doing his or her best to live up to the Promise, Law and Group Code of Conduct
- Attending as many camps as possible
- Participating to the best of his or her ability in all group meetings, outings and fundraising projects

As parents/guardians, we ask that you review and support the following statement through your signature:

"I/We as parent(s)/guardian(s), along with our child(ren), will do our personal best to support The Group while also ensuring that our child(ren) actively participate(s) in as many of the various program activities as possible including various group fundraising activities. We understand that this is a Catholic Group in a Catholic organization with an explicitly Catholic program that practices and teaches the Catholic Faith, and that all members must participate in all Catholic activities of the Group, with the only exception being that non Catholics may not receive the Sacraments. We also understand that non support for the Group or poor program participation on the part of our son or daughter could result in his or her dismissal from the program."

Code of Conduct

Signed by all youth members every year

In order for your son(s) and/or daughter(s) to become or continue to remain a member of the Federation of North American Explorers he or she will need to understand and abide by a base Code of Conduct. This expectation is further reinforced through the Promise and Law at each program level. The Code will center on the following set of requirements:

- Youth members will, to the best of their ability, help to look after the other members of the unit and group.
- Youth members will show respect for themselves and others. Negative physical or verbal altercations will not be accepted or tolerated.
- Youth members will be expected to perform one good deed (to help someone else without being asked or rewarded) each day.
- Youth members will wear their full and complete uniform neatly for all group and unit activities unless advised otherwise by the leadership team.
- Youth members will respond to group or unit commands and hand signals quickly and quietly.
- Youth members will participate fully in the program. If absent, he or she will notify his or her youth leader in a timely manner to report and explain his or her absence.
- Youth members will salute and inform their unit leaders upon arrival and departure at events and meetings.

It should be noted that no youth member will be allowed to unduly disrupt or negatively impact the group program experience for its members. This Code of Conduct will ensure that your son(s) and/or daughter(s) and the other youth members in the group receive the best possible program experience.
